

5 Gray St. Edinburgh.  
Oct. 13 - 55.

My dear Mrs Chapman,

It is disappointing not to  
see you in Manchester, but  
as your letter appointing  
a meeting there, for which  
I have been looking out every  
day this week only reached  
Edinburgh at  
me at 1 P. M., - an hour & half  
before the time of your getting  
to Manchester, & as you  
are going to Leeds at some  
unnamed day before Tuesday  
perhaps <sup>to-morrow</sup> Sunday, or if not.

Monday, it is rather imprac-  
ticable for us to come  
together. When we can  
travel badly by electric  
telegraph these little dif-  
ficulties will be obviated.  
I shall be travelling home-  
ward in a few days probably,  
but shall be open to modify  
my movements if any  
feasible way of meeting  
you is presented. Will  
you write again before or  
as soon as you get to <sup>Athens</sup>.

In great-haste to catch  
the post

Yours ever affect<sup>ed</sup>

Mary Estlin.

Mrs Wigham & Eliza send  
"dear love" & hope they  
shall see you ultimately  
& regret that the prospect  
is so indefinite. They want  
to keep me here till you  
come!
